čistá kvalitou,
Verná farbou

nová škridla
VENUS

The advertisement features a warm, orange-toned background. On the right, a single terracotta roof tile is shown in a three-quarter view, highlighting its curved shape and textured surface. On the left, a portion of a traditional stone building with a tiled roof is visible. The text is written in a mix of elegant cursive and clean sans-serif fonts, all in a reddish-brown color that matches the tiles.
